CSCD Violation Reports and Case Summary Reports
Source of Data

Report Section or Field	Data Source	Detail
Law Violations	CICS	Populated when a new Harris County case is generated for the SPN.
Fee History	CICS - LCBT or LCBU	Populated with adult probation fee schedules and cost bill information if a balance is due.
Reporting History	JIMS2 - Compliance tab	Populated when a reporting condition is set to non-compliant. (Filter conditions by Group 1 = Reporting to see applicable conditions.)
Last Known Address	Model 204 - PTY 40	Displays when the last contact date was more than 90 days ago.
Last Contact Date	JIMS2 - Calendar tab	Populated with the date of the last complete office visit, group office visit or field visit where the Method of Contact was Direct Contact. (Event status is updated when the user enters results for the calendar event.)
Employment History	Model 204 - PTY 60	Populated from the most recent employment record in the Party Initiation subsystem.
Previous Court Activity - Violation Reports section	JIMS2 - Cases tab	Populated from a previously filed report. (CSO creates a Violation Report or Case Summary Report for the case and submits for approval. Supervisor accepts task and approves report. CLO accepts task and approves and files report.)
Previous Court Activity - Motions & Other sections		Currently entered manually on the Previous Court Activity page.
Treatment Issues	JIMS2 - Program Referrals tab	Populated from program referrals in JIMS2 with a status of initiated with a service provider, open or exited.
Community Service	Model 204 - CSR	Populated from the Community Service Restitution subsystem. Hours Completed is populated from hours posted on CSR 45.
Positive Urinalysis	JIMS2 - Compliance tab	Populated from the Compliance tab in JIMS2 when a condition that is associated to Event Type "Positive UA" or "Positive UA - Non-Prescribed RX" is set to non-compliant.
Suggested Court Actions		Selected from the Recommendations page.
Recommendations		Added through the Suggested Court Actions section using the field labeled Status/Comments and Recommendations.
Court Actions	JIMS2 - File Violation Report page	Populated when the CLO files the report and selects Court Actions.
